TO WHOM IT MAY CONCERN

It is with distinct pleasure that I write this letter to thank Pantarei Divinitus Holdings (www.pantarei-divinitus-holdings.com), for initiating support development for rural and local communities in Namibia. I support any initiative that can bring good to the people of Namibia.

I believe that every company should be responsible and contribute to the development of our country and actively participate in improving the standards of our population, especially when it comes to rural areas.

Against this background, I would greatly appreciate if relevant stakeholders could offer support that Pantarei Divinitus Holdings may need in order to achieve their developmental and growth objectives in Namibia.

I avail myself of this opportunity to renew to you, Sir/Madam, the assurances of my highest considerations.
